

Programming Project #3 CIS 2151 – Oakland Community College
Tom DesRosiers

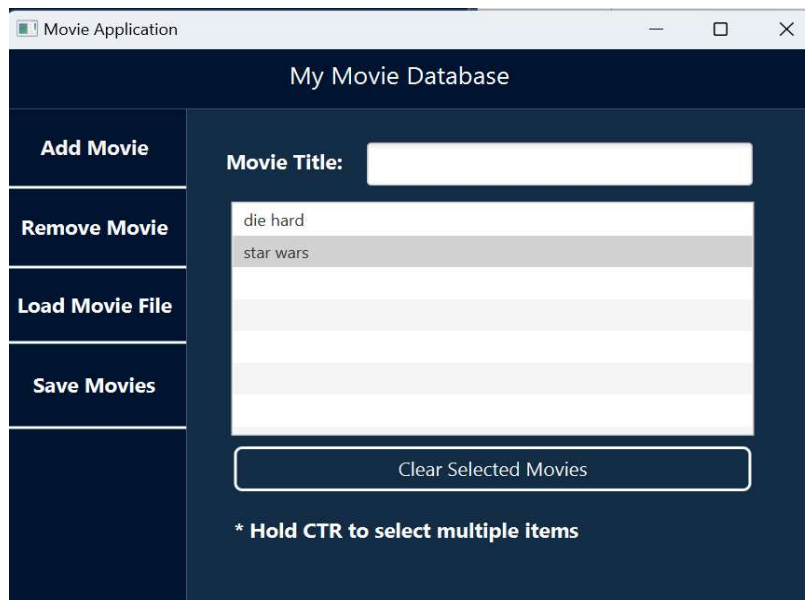

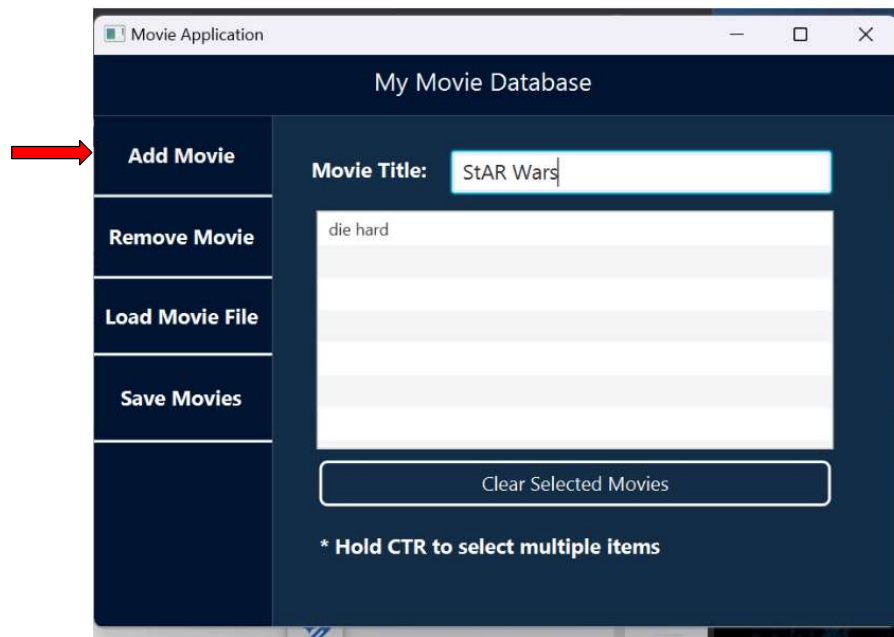

Start:

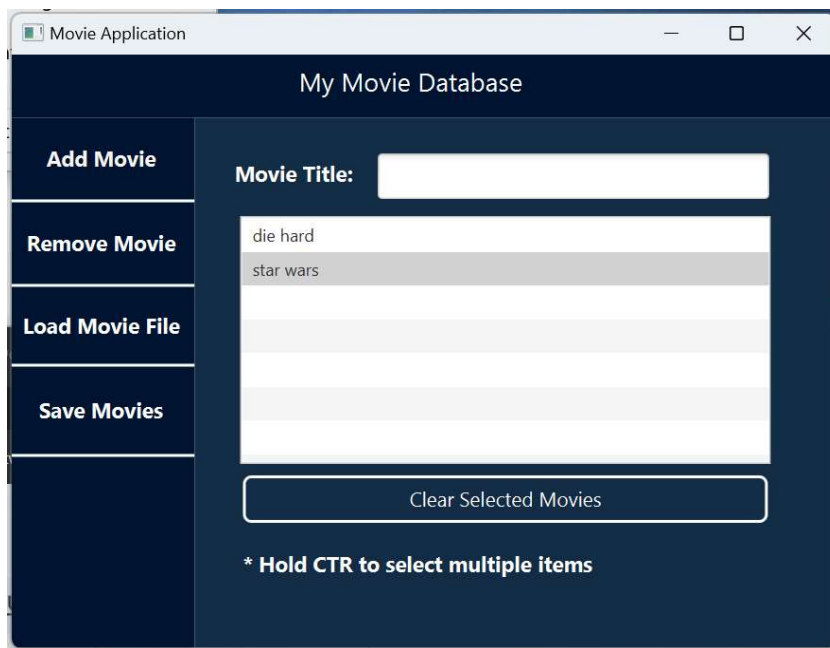

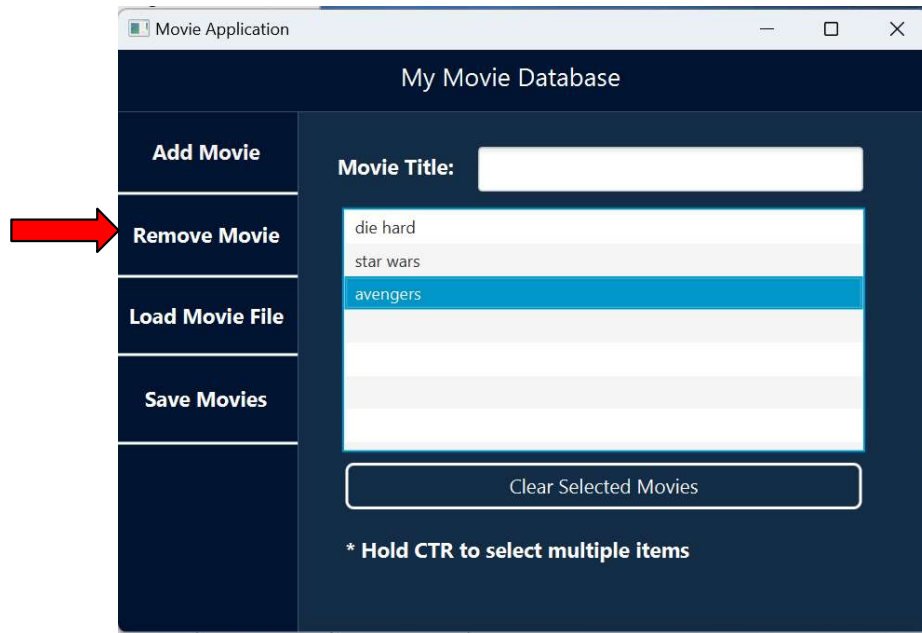

The screenshot shows a web application window titled "Movie Application". The main heading is "My Movie Database". On the left is a sidebar with four buttons: "Add Movie", "Remove Movie", "Load Movie File", and "Save Movies". The main content area has a "Movie Title:" label followed by a text input field. Below this is a large, empty rectangular box. At the bottom of the main area is a button labeled "Clear Selected Movies". A note at the very bottom states: "* Hold CTR to select multiple items".

My Movie Database	
Add Movie	Movie Title: <input type="text"/>
Remove Movie	<div></div>
Load Movie File	
Save Movies	
	<div>Clear Selected Movies</div>
* Hold CTR to select multiple items	

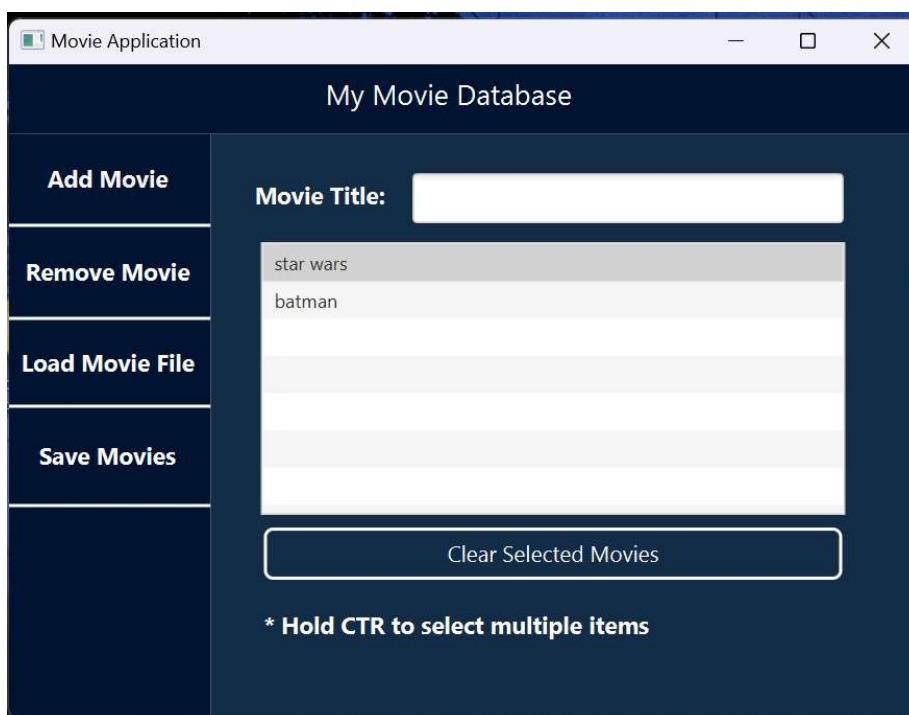

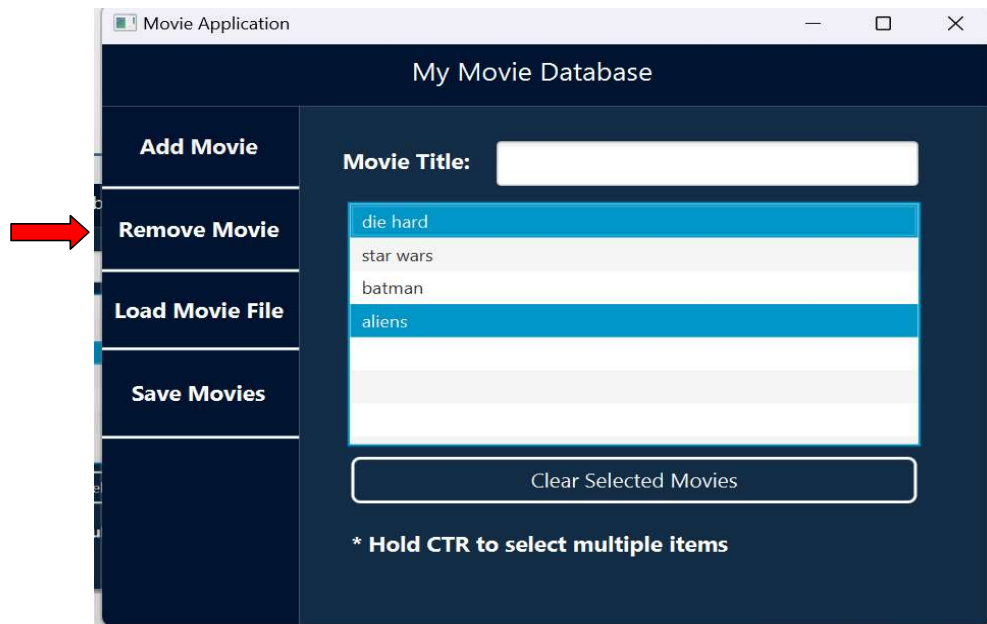

Add Movie:

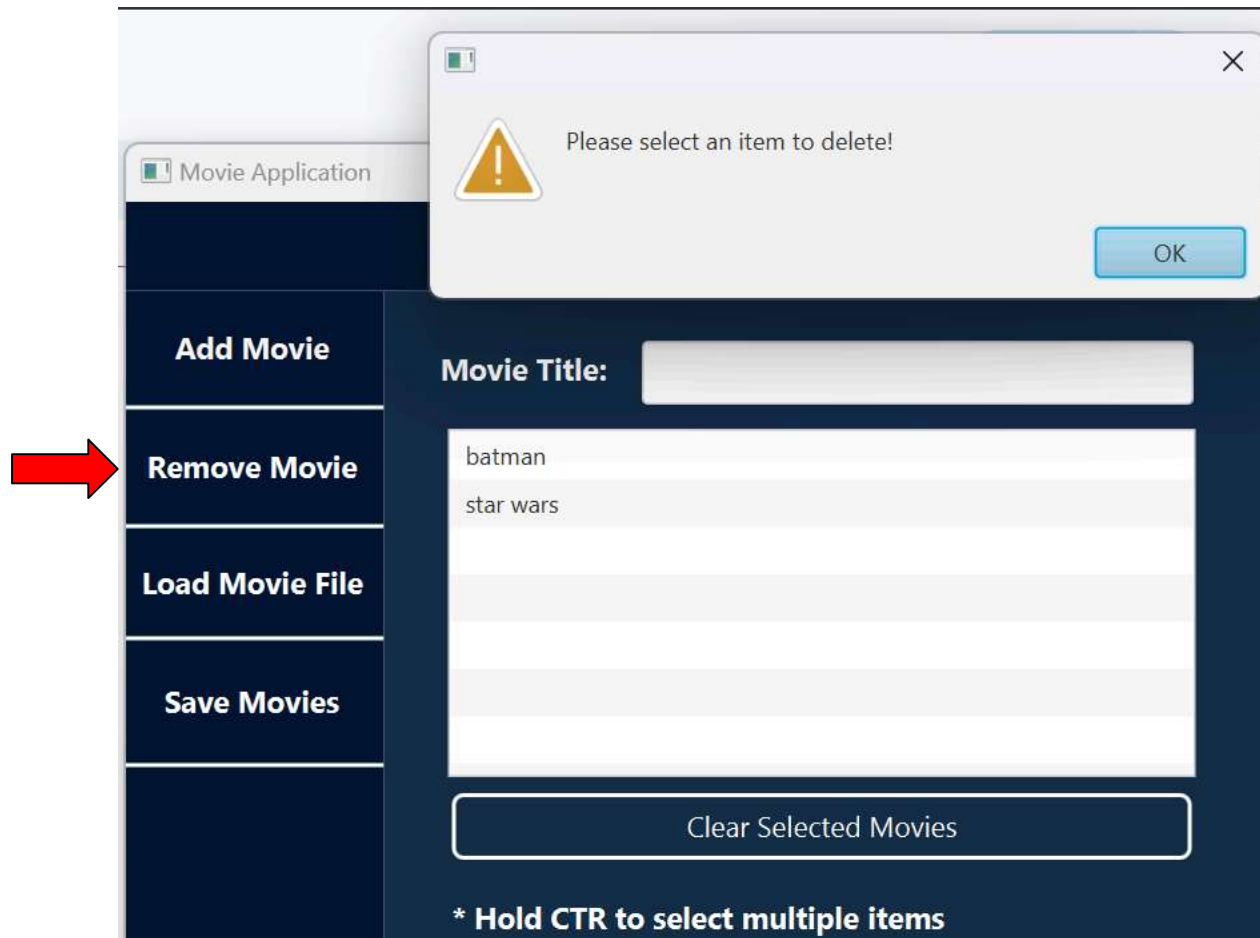

Delete A Single Movie:

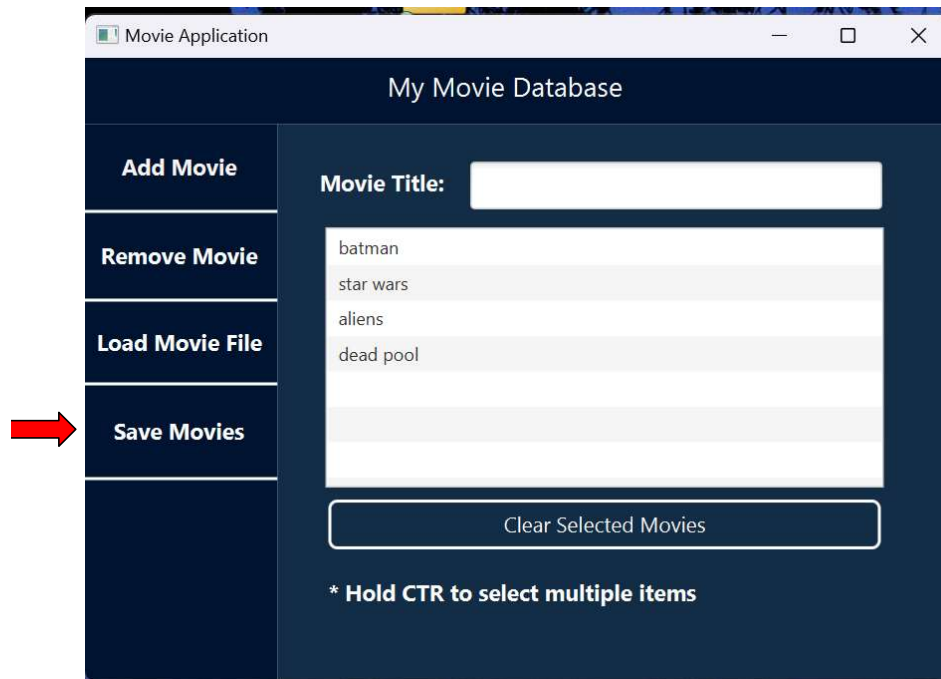

Delete Multiple Movies:

Delete without a selection:

Save Movies:

Load Movies from File:
